

Let's
Make a
heart!

Origami Heart

Activity Guide

Supplies Needed

- \$1 bill

Instructions

1 Place your \$1 bill face down.

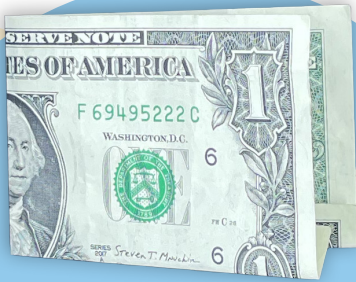

2 Fold the bottom upward so you see the words "ONE DOLLAR" on the other side.

★ Here we go

3 You should have something like this.

Fold the bill in half vertically (hamburger style).

4

Form a crease and unfold.

5

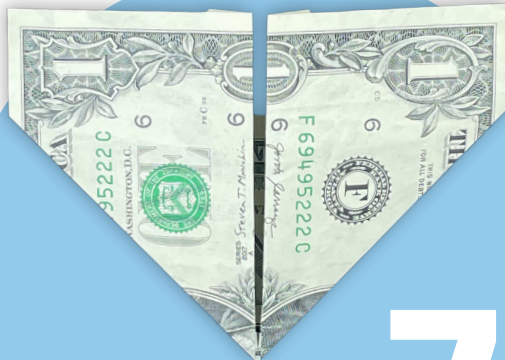

Looking good!

Fold both sides diagonally to meet in the center.

6

You should have something like this.

7

Flip the bill over.

8

Fold the 2 small flaps down as shown here.

9

Keep going

You should have something like this.

10

Fold the outer corners down.

11

You should have something like this.

12

Almost done ★

Fold in the points on the side of the heart.

13

You should have something like this.

14

Flip the bill over. You have a heart!

15

Great job!

You did it!
